EXPERIENCE CERTIFICATE

TO WHOM IT MAY CONCERN

This is to certify that **Md. Imran Ahmed**, NID No: **2405233897**, C/O: **Md. Mostafa Kamal**, **Permanent Address:** Babur Jayga, Dasherbandi, Khilgaon, Dhaka-1219, Bangladesh, was employed with our organization as a **Software Engineer** since 1st November 2025.

During his tenure, his key responsibilities and areas of experience included:

- Designing, developing, testing, and maintaining software applications.
- Developing scalable, reliable, and maintainable software solutions based on business requirements.
- Writing clean, efficient, reusable, and well-documented code.
- Analyzing technical requirements and translating them into effective software solutions.
- Developing and integrating **RESTful APIs** and third-party services.
- Working with databases, including database design, queries, optimization, and data management.
- Identifying, troubleshooting, and resolving software bugs and technical issues.
- Performing application testing, debugging, and performance optimization.
- Participating in the complete **Software Development Life Cycle (SDLC)**, from requirement analysis to deployment and maintenance.
- Using **Git/GitHub or other version-control systems** for source code management and collaborative development.
- Collaborating with software engineers, UI/UX designers, QA engineers, project managers, and other team members.
- Reviewing code and following software development best practices and coding standards.
- Supporting software deployment, system maintenance, and production issue resolution.
- Continuously learning and applying modern technologies and development practices to improve software quality and productivity.

Throughout his employment, his conduct, performance, and professional attitude were found to be satisfactory. He demonstrated dedication, technical competence, teamwork, and responsibility in performing his assigned duties. We wish him every success in his future career and endeavors.
